ANNUAL REPORTS

Annual Report 2025-26

This report summarises the work of the Managing Committee for the year April 2025 to March 2026.

Highlights: EV charging points installed; gate app introduced for visitor management; clubhouse roof waterproofing completed; 40 saplings planted along the boundary.

Finance: maintenance collection efficiency was 97%. The sinking fund and repairs fund were maintained as required by the bye-laws.

The audited statement of accounts is placed before the general body for adoption.
